

MARKO TASIĆ

Front-end developer

PROFILE

Hello my name is Marko Tasić I'm a self-taught front-end developer from Niš.

Most of my studying was through Udemy courses.

My teachers from Udemy are Jonas Schmedtmann from whom I've learned [HTML5](#), [CSS3](#), [SCSS](#) and [JavaScript](#) and Maximilian Schwarzmüller from whom I've learned [TypeScript](#) and [ReactJS](#).

Currently practicing doing some personal projects using React and TypeScript, trying to improve my skills and learn more about them.
